

Saladin Security Afghanistan Ltd

Quality Statement

Under the direction of the Directors the Company shall continually and consistently strive to; comply with the requirements of its quality management system; improve the effectiveness of our quality management system; Employ trained and motivated staff; utilise the QMS as a framework for establishing, reviewing and updating quality objectives. The contents of the quality policy will be communicated to all employees during induction training and its understanding verified during internal audits of the management system.

Minuted management review meetings will take place to monitor the performance of the Management System and the quality policy in order to ensure their effectiveness and continued suitability.

Saladin's approach to Quality Assurance, Professional Standards and Human Rights is based on the Senior Management commitment to;

- Continuously develop and improve the Management System
- Continually improve the effectiveness of the Management System, by setting and reviewing quality assurance management objectives, targets and programs.
- The enhancement of customer satisfaction
- Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction
- Communicate throughout the organisation the importance of meeting customer needs and all relevant statutory and regulatory requirements.
- Establish the Quality Policy and its objectives and targets.
- Ensure that the Management Reviews set and review the quality objectives, and reports on the Internal Audit results as a means of monitoring and measuring the processes and the effectiveness of the Management System
- Ensure the availability of resources.
- All personnel understand the requirements of this Quality Policy and abide with the contents of the Management System.
- The Organisation complies with all relevant statutory and regulatory requirements.
- The Organisation constantly monitors its quality performance and implements improvements when appropriate.
- This Quality Policy is regularly reviewed at planned intervals or when significant changes occur in order to ensure its continuing suitability.

Through the endorsement of this Management System and the Quality Assurance Policy Saladin has demonstrated its commitment to avoid, prevent, and reduce the likelihood and consequences of disruptive or undesirable event
